

Beech Class - Spring 1 Home Learning Challenges How have toys changed?

Here are some ideas for this half term's learning challenge!
The challenge is to be completed over this half term and should
be brought into school by
Monday 9th February 2026.
We will look forward to seeing the final product from your
chosen challenge. Please feel free to complete as many
challenges as you wish.
Any questions please email.

Task One	Create a fact file about your favourite toy or draw a picture and label each part.
Task Two	Research different toys and games from the past and write a report. Compare the most popular toys from the past to now.
Task Three	Interview an adult about the toys they played when they were a child. Then write a report about what you found out.
Task Four	Design and make your own toy. Try to use lots of different materials like papier mache, cardboard and foils.
