Jigsaw knowledge and skills progression: Relationships

Jigsaw, the mindful approach to PSHE is a progressive and spiral scheme of learning. In planning the lessons, Jigsaw PSHE ensures that learning from previous years is revisited and extended, adding new concepts, knowledge and skills, year on year as appropriate. The table below draws out the **spiral** knowledge and skills progression within the Relationships Puzzle (unit of work) including the key vocabulary used in each year group.

Relationships	Knowledge
Foundation Class	Know what a family is • Know that different people in a family have different responsibilities (jobs) • Know some of the characteristics of healthy and safe friendship • Know that friends sometimes fall out • Know some ways to mend a friendship • Know that unkind words can never be taken back and they can hurt • Know how to use Jigsaw's Calm Me to help when feeling angry • Know some reasons why others get angry
	Children are introduced to the key relationships in their lives. They learn about families and the different roles people can have in a family. They explore the friendships they have and what makes a good friend. They are introduced to simple strategies they can use to mend friendships. The children also learn about Jigsaw's Calm Me and how they can use this when feeling upset or angry.
	<u>Key Vocabulary</u> Family, Jobs, Relationship, Friend, Lonely, Argue, Fall-out, Words, Feelings, Angry, Upset, Calm me, Breathing.

Changing Me	Knowledge
Foundation Class	• Know the names and functions of some parts of the body (see vocabulary list) • Know that we grow from baby to adult • Know who to talk to if they are feeling worried • Know that sharing how they feel can help solve a worry • Know that remembering happy times can help us move on
	Children are encouraged to think about how they have changed from being a baby and what may change for them in the future. They consolidate the names and functions of some of the main parts of the body and discuss how these have changed. They learn that our bodies change as we get older in lots of different ways. Children understand that change can bring about positive and negative feelings, and that sharing these can help. They also consider the role that memories can have in managing change.
	<u>Key Vocabulary</u> Eye, Foot, Eyebrow, Forehead, Ear, Mouth, Arm, Leg, Chest, Knee, Nose, Tongue, Finger, Toe, Stomach, Hand, Baby, Grown-up, Adult, Change, Worry, Excited, Memories

Relationships	Knowledge
Year 1	• Know that everyone's family is different • Know that there are lots of different types of families • Know that families are founded on belonging, love and care • Know how to make a friend • Know the characteristics of healthy and safe friends • Know that physical contact can be used as a greeting • Know about the different people in the school community and how they help • Know who to ask for help in the school community
	Children's breadth of relationships is widened to include people they may find in their school community. They consider their own significant relationships (family, friends and school community) and why these are special and important. As part of the learning on healthy and safe relationships, children learn that touch can be used in kind and unkind ways. This supports later work on safeguarding. Pupils also consider their own personal attributes as a friend, family member and as part of a community, and are encouraged to celebrate these.
	Key Vocabulary Family, Belong, Same, Different, Friends, Friendship, Qualities, Caring, Sharing, Kind, Greeting, Touch, Feel, Texture, Like, Dislike, Help, Helpful, Community, Feelings, Confidence, Praise, Skills, Self-belief, Incredible, Proud, Celebrate, Relationships, Special, Appreciate.

Changing Me	Knowledge
Year 1	• Know that animals including humans have a life cycle • Know that changes happen when we grow up • Know that people grow up at different rates and that is normal • Know the names of male and female private body parts • Know that there are correct names for private body parts and nicknames, and when to use them • Know which parts of the body are private and that they belong to that person and that nobody has the right to hurt these • Know who to ask for help if they are worried or frightened • Know that learning brings about change
	Children are introduced to life cycles e.g. that of a frog and identify the different stages. They compare this with a human life cycle and look at simple changes from baby to adult e.g. getting taller, learning to walk etc. They discuss how they have changed so far and that people grow up at different rates. As part of a school's safeguarding duty, pupils are taught the correct words for private parts of the body (those kept private by underwear: anus, penis, testicles, vulva). They are also taught that nobody has the right to hurt these parts of the body. Change is discussed as a natural and normal part of getting older which can bring about happy and sad feelings. Children practise a range of skills to help manage their feelings and learn how to access help if they are worried about change, or if someone is hurting them.
	Key Vocabulary Changes, Life cycles, Baby, Adult, Adulthood, Grown-up, Mature, Male, Female, Penis, Testicles, Vulva, Anus, Learn, New, Grow, Feelings, Anxious, Worried, Excited, Coping.

Relationships	Knowledge
Year 2	• Know that everyone's family is different • Know that families function well when there is trust, respect, care, love and co-operation • Know that there are lots of forms of physical contact within a family • Know how to stay stop if someone is hurting them • Know some reasons why friends have conflicts • Know that friendships have ups and downs and sometimes change with time • Know how to use the Mending Friendships or Solve-it-together problem-solving methods • Know there are good secrets and worry secrets and why it is important to share worry secrets • Know what trust is
	Learning about family relationships widens to include roles and responsibilities in a family and the importance of co-operation, appreciation and trust. Friendships are also revisited with a focus on falling out and mending friendships. This becomes more formalised and the children learn and practise two different strategies for conflict resolution (Solve-it-together and Mending Friendships). Children consider the importance of trust in relationships and what this feels like. They also learn about two types of secret, and why 'worry secrets' should always be shared with a trusted adult. Children reflect upon different types of physical contact in relationships, which are acceptable and which ones are not. They practise strategies for being assertive when someone is hurting them or being unkind. The children also discuss people who can help them if they are worried or scared.
	Key Vocabulary Family, Different, Similarities, Special, Relationship, Important, Co-operate, Touch, Physical contact, Communication, Hugs, Like, Dislike, Acceptable, Not acceptable, Friends, Conflict, Point of view, Positive problem solving, Secret, Surprise, Good secret, Worry secret, Telling, Adult, Trust, Happy, Sad, Frightened, Trust, Trustworthy, Honesty, Reliability, Compliments, Celebrate, Appreciate.

Changing Me	Knowledge
Year 2 and 3	• Know that life cycles exist in nature • Know that aging is a natural process including old-age • Know that some changes are out of an individual's control • Know how their bodies have changed from when they were a baby and that they will continue to change as they age • Know the physical differences between male and female bodies • Know the correct names for private body parts • Know that private body parts are special and that no one has the right to hurt these • Know who to ask for help if they are worried or frightened • Know there are different types of touch and that some are acceptable and some are unacceptable
	In this Puzzle children look at different life cycles in nature including that of humans. They reflect on the changes that occur (not including puberty) between baby, toddler, child, teenager, adult and old -age. Within this, children also discuss how independence, freedoms and responsibility can increase with age. As part of a school's safeguarding duty, pupils are re-taught the correct words for private parts of the body (those kept private by underwear: vagina (Year 3), anus, penis, testicle, vulva). They are also reminded that nobody has the right to hurt these parts of the body, including a lesson on inappropriate touch and assertiveness. Children practise a range of strategies for managing feelings and emotions. They are also taught where they can get help if worried or frightened. Change is taught as a natural and normal part of growing up and the range of emotions that can occur with change are explored and discussed
	Key Vocabulary Change, Grow, Control, Life cycle, Baby, Adult, Fully grown, Growing up, Old, Young, Change, Respect, Appearance, Physical, Baby, Toddler, Child, Teenager, Independent, Timeline, Freedom, Responsibilities, Male, Female, Vagina (Year 3), Penis, Testicles, Vulva, Anus, Public, Private, Touch, Texture, Cuddle, Hug, Squeeze, Like, Dislike, Acceptable, Unacceptable, Comfortable, Uncomfortable, Looking forward, Excited, Nervous, Anxious, Happy.

Relationships	Knowledge
Year 3	• Know that different family members carry out different roles or have different responsibilities within the family • Know that gender stereotypes can be unfair e.g. Mum is always the carer, Dad always goes to work etc • Know some of the skills of friendship, e.g. taking turns, being a good listener • Know some strategies for keeping themselves safe online • Know how some of the actions and work of people around the world help and influence my life • Know that they and all children have rights (UNCRC) • Know the lives of children around the world can be different from their own
	In this Puzzle children revisit family relationships and identify the different expectations and roles that exist within the family home. They identify why stereotypes can be unfair and may not be accurate e.g. Mum is the carer, Dad goes to work. They also look at careers and why stereotypes can be unfair in this context. They learn that families should be founded on love, respect, appreciation, trust and cooperation. Children are reminded about the solve-it-together technique for negotiating conflict situations and the concept of a win-win outcome is introduced. Online relationships through gaming and Apps is explored and children are introduced to some rules for staying safe online. Children also learn that they are part of a global community and they are connected to others they don't know in many ways e.g. through global trade. They investigate the wants and needs of other children who are less fortunate and compare these with their own. Children's universal rights are also revisited.

	Children learn about the importance of self-esteem and ways this can be boosted. This is important in an online context as well as off-line, as mental health can be damaged by excessive comparison with others. This leads onto a series of lessons that allow the children to investigate and reflect upon a variety of positive and negative online/ social media contexts including gaming and social networking. They learn about age -limits and also age-appropriateness. Within these lessons, children are taught the SMARRT internet safety rules and they apply these in different situations. Risk, pressure and influences are revisited with a focus on the physical and emotional aspects of identifying when something online or in social media feels uncomfortable or unsafe. Children are taught about grooming and how people online can pretend to be whoever they want. Rights, responsibilities and respect are revisited with an angle on technology use. Screen time is also discussed and children find ways to reduce their own screen time. This Puzzle aims to help children to be more discerning when viewing anything online or on social media.

Changing Me	Knowledge
Year 6	• Know how girls' and boys' bodies change during puberty and understand the importance of looking after themselves physically and emotionally • Know how a baby develops from conception through the nine months of pregnancy and how it is born • Know how being physically attracted to someone changes the nature of the relationship • Know what perception means and that perceptions can be right or wrong • Know how girls' and boys' bodies change during puberty and understand the importance of looking after themselves physically and emotionally • Know that becoming a teenager involves various changes and also brings growing responsibility • Know how being physically attracted to someone changes the nature of the relationship • Know the importance of self-esteem and what they can do to develop it • Know what they are looking forward to and what they are worried about when thinking about transition to secondary school / moving to their next class
	In this Puzzle the children revisit self-esteem and self/body-image. They learn that we all have perceptions about ourselves and others, and these may be right or wrong. They also reflect on how social media and the media can promote unhelpful comparison and how to manage this. Puberty is revisited with further detail explaining bodily changes in males and females. Children are encouraged to ask questions and seek clarification about anything they don't understand. Children learn that having a baby is a personal choice. Details of contraceptive options and methods are not taught as this is not age-appropriate. Children look at what becoming a teenager means for them with an increase in freedom, rights and responsibilities. They also look at the perceptions that surround teenagers and reflect whether they are always accurate e.g. teenagers are always moody; all teenagers have a boyfriend/girlfriend etc. The class learn about puberty in boys and girls and the changes that will happen – they reflect on how they feel about these changes. They talk about being physically attracted to someone and the effect this can have upon the relationship. They discuss relationships and the importance of mutual respect and not pressuring / being pressured into doing something that they don't want to. The children also learn about self-esteem, why it is important and ways to develop it. Finally, they look at the transition to secondary school (or next class) and what they are looking forward to / are worried about and how they can prepare themselves mentally.
