

The background of the entire page is a stylized world map. Various countries are highlighted in different colors. Overlaid on the map are numerous circular icons representing different types of food, such as apples, bananas, bread, and vegetables. The text of the challenges is placed in white boxes over the map.

As Readers can you:

- Read books written by Roald Dahl and write a review about what you have read?
- Read non-fiction texts about where food comes from?

As Musicians can you:

- Make up your own song, rhyme or rap about food and where it comes from?

**Where
in the
world
is our
food
from?**

As Geographers can you:

- Identify on a map where different foods come from?
- Research the journey different foods take to get to us?

**Sycamore Class Spring 2
Learning Challenges
Geography
Where does our food come from?**

Here are some ideas for this half term's home learning. Let's see if everybody can complete at least one challenge. You are, of course, welcome to do more than one!

We will look forward to seeing your completed challenges.

Don't forget to keep learning your times tables!

As Computer Scientists can you:

- Create a poster, leaflet or PowerPoint where our food comes from?

As Writers can you:

- Plan and write a diary imagining you are working in producing some food?
- Keep a food diary for a week and research where some of the foods you ate came from?
- Research a particular food and write a report on it's journey from growing or production to people?

As Artists and Designers can you:

- Design and create your own pavilion structure?
- Design and label a strong pavilion structure?
