

ENRICHMENT REPORT

AUTUMN 2025

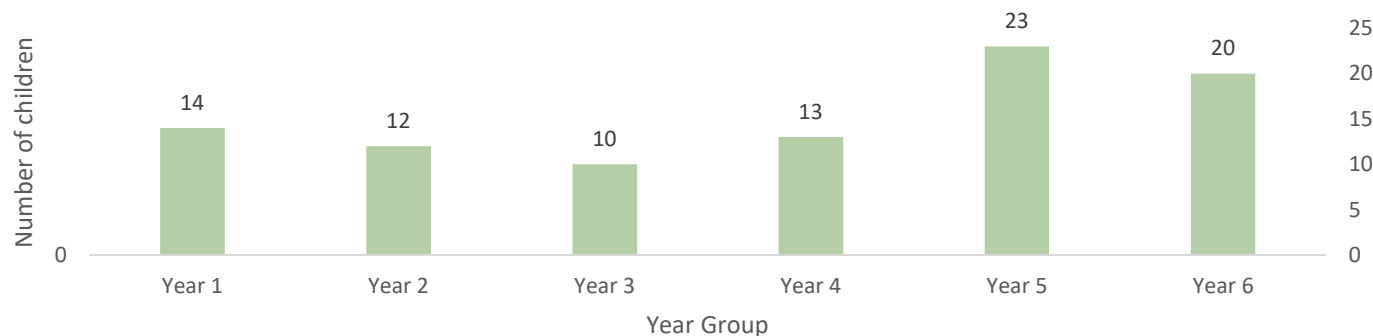

INSPIRING MINDS, BROADENING HORIZONS

51%

OF CHILDREN TOOK PART
IN AFTER SCHOOL EXTRA-
CURRICULAR ACTIVITIES

Through our enrichment opportunities, everyone is valued, inspired and nurtured on their individual journey of success, with opportunities that spark curiosity, build confidence and celebrate every child's unique talents.

After School Activity Participation

Clubs this term were Choir, Art, Chess, Panathlon, Girls Football, Boys Football and Mindfulness.

5 VISITS

Chester Zoo, The Mayors Christmas Concert, Winmarleigh Hall Residential, the Pantomime, ICT Lego Workshop.

7 VISITORS

including magistrates, taekwondo, a Viking workshop, NSPCC, Fort Alice and a special visit from Father Christmas.

10 SPORTING COMPETITIONS AND FESTIVALS

including Dodgeball, Ten Pin Bowling, Girls Football, Mixed Football, Lacrosse and Cross Country.

58

 children represented the school in sporting competitions and festivals from Year 1 to Year 6.

By giving every child the opportunity to learn a musical instrument, we enrich their experience, promote inclusion and ensure all pupils can discover and develop their individual talents.

48% OF KS1 & KS2
CHILDREN TOOK PART IN
SPECIALIST MUSICAL
INSTRUMENT LESSONS

91 children took part in specialist musical instrument lessons, including keyboard, guitar including electric guitar, strings, drums and djembe drums.

32 children formed **5** Rock Bands!

There have been **2** Musicians of the Month.

38 children from Rowan and Cherry Class took part in Shake, Rattle and Roll sessions with music experts.

ALL children participated in at least one performance in front of an audience of between 120 and 200 people.

Through inclusive enrichment opportunities, we ensure every child feels valued, empowered and able to explore their interests on their own pathway to success.

28 children took part in weekly Thrive sessions to develop skills in resilience, teamwork and self-belief.

4 Awareness days were held to learn more about Genetic Conditions, ADHD, Dyslexia and Dwarfism.

ALL children in Rowan class attended weekly swimming lessons.

We raised money and collected goods to support **5** charities; these were Jeans for Genes, Winter Watch, Poppy Appeal, Children in Need and Young Care Leavers in Bolton.

This term, the children have engaged in enrichment activities that have sparked creativity, teamwork, and confidence. From art and music to STEM challenges, they discovered new interests and enjoyed working together. These experiences have inspired curiosity and given them skills they'll carry forward with enthusiasm.
