

ENRICHMENT REPORT

AUTUMN 2025 - SPRING 2026

INSPIRING MINDS, BROADENING HORIZONS

57%

OF CHILDREN TOOK PART
IN AFTER SCHOOL EXTRA-
CURRICULAR ACTIVITIES

Through our enrichment opportunities, everyone is valued, inspired and nurtured on their individual journey of success, with opportunities that spark curiosity, build confidence and celebrate every child's unique talents.

After School Activity Participation

Clubs so far this year have been Choir, Art, Chess, Panathlon, Girls Football, Boys Football, Netball and Mindfulness.

9 EDUCATIONAL VISITS

Chester Zoo, The Mayors Christmas Concert, Winmarleigh Hall Residential, the Pantomime, ICT Lego Workshop, Smithills Hall, Bridgewater Hall, St Elizabeth's Church and Adventure Farm

10 VISITORS AND WORKSHOPS

including magistrates, Taekwondo, Viking, Anglo-Saxon and WW2 workshops, NSPCC, Fort Alice, a special visit from Father Christmas, BWFC and Toy Museum.

23 SPORTING COMPETITIONS AND FESTIVALS

including Dodgeball, Swimming, Ten Pin Bowling, Girls Football, Mixed Football, Lacrosse, Wrestling, New Age Kurling, Gymnastics, Panathlon and Cross Country.

83 children represented the school in sporting competitions & festivals from Foundation to Year 6.

By giving every child the opportunity to learn a musical instrument, we enrich their experience, promote inclusion and ensure all pupils can discover and develop their individual talents.

51% OF CHILDREN
TOOK PART IN SPECIALIST
MUSIC LESSONS

110 children took part in specialist music lessons, including keyboard, guitar including electric guitar, strings, drums and djembe drums.

32 children formed **5** Rock Bands!

There have been **4** Musicians of the Month.

38 children from Rowan and Cherry Class took part in Shake, Rattle and Roll sessions with music experts.

ALL children participated in at least one performance in front of an audience of between 120 and 200 people.

Through inclusive enrichment opportunities, we ensure every child feels valued, empowered and able to explore their interests on their own pathway to success.

29 children took part in weekly Thrive sessions to develop skills in resilience, teamwork and self-belief.

7 Awareness days were held to learn more about Genetic Conditions, ADHD, Dyslexia, Dwarfism, Downs Syndrome, Autism and Young Carers.

ALL children in Rowan class attended weekly swimming lessons.

We Supported **6** charities by raising money and collecting goods; these were Jeans for Genes, Winter Watch, Poppy Appeal, Children in Need, Young Care Leavers in Bolton and Comic Relief.

This term, the children have engaged in enrichment activities that have sparked creativity, teamwork, and confidence. From art and music to STEM challenges, they discovered new interests and enjoyed working together. These experiences have inspired curiosity and given them skills they'll carry forward with enthusiasm.
